

WELCOME TO FIFTH GRADE SUMMER READING LIST 2017-2018

Titles have been selected with age appropriate reading levels and content in mind; however, parents are encouraged to help their child make-a-selection by previewing the titles for difficulty of the text, subject matter, and content of the book. Titles considered for inclusion in a summer reading list are chosen because they tie with the school’s curricular initiative or they provide students with an opportunity for independent, recreational reading. Please select one book and one activity to do with your child for their summer reading.
