

3rd Grade Summer Reading List

2017-2018

Titles have been selected with age appropriate reading level and content in mind; however, parents should help their child make a selection by previewing the titles for difficulty of the text, subject matter, and content of the book. Third graders may select from these suggested titles or any other titles found in the District's Summer Reading List found on our school's web page. Students may also select which activity they'd like to present to their teacher at the beginning of the school 2017 -2018 school year.

Please check on AR book finder.com for a list of approved AR non-fiction books. Selections may be from the Miami-Dade County District's Summer Reading List found on David Fairchild's web page or by student's interest. <u>Selections should be made based on student's reading level and should not include the two novels that will be read in class.</u></p> <p>MATH: Your child memorizing the times tables is an important part of the third grade. Study the times tables 1-12. <u>Students should master at least up to the 6 times tables before the start of the third grade.</u> All of the times tables must be memorized by December of the third grade school year and will be studied and tested on a daily basis. Getting a head start is extremely important!</p>

- **REQUIRED READING PROVIDED BY MDCPS - Books will be sent home on May 29th.**
