David Fairchild School Song

David Fairchild is the school for me.
It's the best you will ever see.
We like it here, we all agree,
to her we pledge our loyalty.
Our school is named for a famous man
Who brought back plants from many a land.
In our school his name lives on,
We follow his motto, "push on, push on!"
David Fairchild is the school for me.
It's the best you will ever see.
We like it here, we all agree,
to her we pledge our loyalty.

MIAMI-DADE COUNTY PUBLIC SCHOOLS
PARENT/STUDENT HANDBOOK

David Fairchild
(1876 – 1954)

David Fairchild spent his whole life studying plants. When he was 22 years old he created the Section of Foreign Seed and Plant Introduction of the United States Department of Agriculture. For the next 37 years he traveled around the world looking for plants that the American people would use. He brought many plants into the USA including mangos, alfalfa, nectarines, horseradish, bamboo, and flowering cherries.

Dr. Fairchild returned to Miami when he was 59 years old. He shared his new plants with other botanists, people who study plants, including Robert Montgomery. Robert founded the Garden and named it in honor of his friend. There are plants in Fairchild Tropical Garden from 1940 when gardeners planted some of the plants. Some of David's exotic plants went into the garden, such as the giant African baobab tree that is near the entrance. David started an official collector's expedition and got more exotic plants. David Fairchild helped make Fairchild Tropical Garden one of the most exciting gardens in all of Florida.

Provides guidance to teachers, school and district administrators, parents and other stakeholders regarding the requirements and procedures for students to progress from one grade to the next, kindergarten through grade 12 and adult education. The information presented in this document is derived from requirements set forth by Florida Statutes, State Board of Education Rules and Policies established by The School Board of Miami-Dade County.

Before/After School Care Program & Middle School Enrichment After School Program

For those parents considering going back to work and/or are presently working, there are 224 low cost Before and After School Care programs that serve both Elementary and K-8 Center students and 62 Middle School Enrichment After School programs that help tutor middle school students throughout the Miami-Dade County School district. Each of these programs are staffed with state certified instructors, state certified program managers, or state certified activity leaders who are all prepared to enrich and expand the after-school experience of the students they serve.

This year, Miami-Dade County Public Schools will offer 286 After School programs on school days. Before-school care programs will be provided as needed.

After-school care programs are conducted from the time of school dismissal until 6:00 p.m. Before-school care programs begin approximately one hour before school starts. Summer Camp operates from 7:00 a.m. until 6:00 p.m. Parents should check with their child's school for specific start times.

All after-school care programs provide planned activities, which include homework assistance, indoor and outdoor games, arts and crafts, snack time and various recreational activities. Many programs offer reading and math tutoring, music, ceramics, chess, drama and other classes designed to provide participants with a variety of educational and enrichment experiences. Before-school care programs provide supervised, quiet activities for students.

The cost of Elementary and K-8 after school care is \$40 per week; the cost of Middle School Enrichment after school care is \$40 per week; the cost of before school care is \$20 per week and the cost of Summer Camp is \$100.00 per week. These programs are offered by one of seven providers:

- Young Women's Christian Association (YWCA)
- Family Christian Association of America (FCAA)
- Sunshine After-School Child Care (SASCC)

Bring Your Own Device (BYOD)

Bring Your Own Device allows students, parents, staff and guests to use their own technology during the day to enhance the learning experience. Examples of the types of technology which can be used are Windows laptops/tablets, Mac laptops, Android tablets, and iPads.

Closing of School

The emergency closing of a school for any cause, such as weather or in which the safety of individuals may be endangered, is only at the discretion of the Superintendent of Schools.

Community School Program

The Community School Program offers an opportunity for the public-school system to determine the needs of the community and provides a mechanism to meet those needs. The curriculum of the Community School Program is as wide and varied as the needs of the community it serves. Community schools provide programs that are funded by fees, tuition, grants, and donations, on community school sites, in adult centers, in satellite programs, and at off-campus, non-public school locations throughout Miami-Dade County.

Each of the 39 Community Education Centers offer classes for individuals of all ages, skill levels and language capabilities. Students enrolling in language or computer classes have the opportunity to enhance the job skills needed to satisfy the demands of today's world. Annually, thousands of people have taken advantage of these recreational and educational opportunities, and if an individual or group wants to acquire a specific new skill, Miami-Dade County Public Schools can work with each to create a class that suits the needs of all interests.

For more specific information on Miami-Dade County Public Schools Community Education and Before and After School Care programs or Middle School Enrichment After School programs, please log on to our website at www.dadecommunityschools.net or please call Mr. Victor Ferrante, Executive Director at 305-817-0014.

Dismissal

- **Bicycles/Skateboards**

In order to ride a bicycle to school students must have written permission from the parent on file permitting riding a bicycle to and from school and awareness of bicycle safety rules. The following bicycle safety rules and policies are those taught to our children. Please help us to reinforce these rules:

MIAMI-DADE COUNTY PUBLIC SCHOOLS PARENT/STUDENT HANDBOOK

- Only one rider may be on the bicycle. A helmet must be worn. (State Law)
- Walk bicycle on school grounds, across crosswalks, and busy intersections. This precaution will prevent many accidents and injuries.
- Park and lock the bicycle in the designated area.
- Bicycle must be equipped with a lock. Please record the serial number of the bicycle, lock, etc., and keep available at home.

Students who fail to follow these rules will be reported to their parents and will not be permitted to continue riding a bicycle to and from school.

• **Rainy Day Dismissal**

It is important that you plan with your child regarding procedures to follow during inclement weather at dismissal time. Please be sure that your child clearly understands your guidelines regarding school dismissal on a rainy day. If the condition of the inclement weather is unsafe for dismissal, the administration may determine the school to be in an emergency status and teachers will be instructed to keep all students in the classrooms until the weather improves permitting a safe dismissal.

• **Student Drop-Off Pick-up**

Parents who transport their children from school are to pick up in front of the school. **DO NOT PARK IN THE CIRCLE.** All students are to be picked up from the white patio area. Students will be escorted to the vehicle by school personnel.

Any parent/guardian arriving more than 15 minutes after dismissal PK, KG & 1st grade 2:05 p.m. and 2-5 grades 3:20 p.m.; your child will be placed in the main office where you will have to sign the 'late' pick up log. Parents who are habitually late to pick up their child may be required to sign their child up for the YMCA - After School Care.

Emergency Contact Information

Emergency Student Data Forms are distributed during the first week of school. Students are expected to bring the forms home and present them to their parents/guardians. The form must be carefully completed and returned. The information provided on the Emergency Student Data Forms will enable school staff to contact the parent/guardian immediately in the case of an emergency. Parent/Guardian(s) that provide a cell phone number will receive text messages should an emergency arise. Students may only be released from school to the persons listed on the form after presenting a picture identification. No persons, other than school staff, will have access to the information submitted.

Fieldtrips

All fieldtrips must be approved by the principal and Region Superintendent. Participation in fieldtrips requires that the student present a fieldtrip form signed by the parent/guardian to his/her teacher(s) in advance. In addition, at times vendors who have a "no refund" policy will require

MIAMI-DADE COUNTY PUBLIC SCHOOLS PARENT/STUDENT HANDBOOK

schools to pay the full amount of the fieldtrip prior to the event. In this case, students/parents will be notified in advance of the vendor's "no refund" policy.

Flu Vaccine

Miami-Dade County Public Schools has partnered again with Healthy Schools, LLC for the 2018-2019 school year to provide **FREE** flu vaccines to students enrolled in M-DCPS. This year's "**TEACH FLU A LESSON**" student vaccination campaign will begin **September 11 thru October 11**. Each school will have a specific clinic date.

Parents/guardians have the option of providing consent through the Parent-Portal using their digital devices or complete a paper consent form. Parents/Guardians **MUST** provide consent if they want their child to receive the flu vaccine. Parents/Guardians should contact their child's school to determine when the flu vaccine will be offered at their child's school.

Homework

Principals are encouraged to work with teachers and parents to implement guidelines found in [Homework Policy 2330](#). Teachers are required to provide students with make-up assignments once the absence has been excused; however, it is the responsibility of the student to request the assignments from the teacher(s).

Regular, purposeful homework is an essential component of the instructional process. Homework is an integral factor in fostering the academic achievement of students and in extending school activities into the home and community. Homework provides opportunities for developmental practice, drill, the application of skills already learned, the development of independent study skills, enrichment activities, and self-discipline.

Teachers are required to provide students with make-up assignments once the absence has been excused; however, it is the responsibility of the student to request the assignments from the teacher.

In compliance with School Board Policy 2330 - Homework will be given five days a week as follows:

K - 1 st Grade	30 minutes daily
2 nd - 3 rd Grade	45 minutes' daily
4 th - 5 th Grade	60 minutes' daily

***Additional time for students participating in the EFL Program.**

Students are required to devote **30 additional minutes to reading** at home daily. It is good training to set aside a quiet place and time either in the afternoon or early evening for a child to study and read for pleasure. This will help to foster good study habits and improve a child's reading ability.

Mealtime Environment

School lunchtime should be an opportunity to encourage healthy lifestyle, promote socialization that will affect early behaviors.

Protocol for Addressing Concerns

For issues involving an individual teacher or class, parent/guardian address their concerns to the following individuals in the order below.

Recess

Recess is supervised, unstructured playtime where children have choices, develop rules for play and release energy and stress. Recess will be conducted outdoors when weather permits. In the case of inclement weather, appropriate recess activities will be conducted indoors.

Schools shall provide at least 100 minutes of supervised, safe, and unstructured free-play recess each week for students in kindergarten through grade 5, so that there are at least 20 consecutive minutes of free-play recess per day.

MIAMI-DADE COUNTY PUBLIC SCHOOLS PARENT/STUDENT HANDBOOK

Safety and Security

- **Code Yellow/Code Red**

In the event of an emergency, the primary responsibility of all school personnel is to provide for the safety of all students. In the event a school administrator announces a possible threat to students and staff safety exists within the community (Code Yellow), or an imminent threat to students and staff safety exists within the school (Code Red) students, faculty and staff will comply with all the procedures outlined in the Miami-Dade County Public Schools Critical Incident Response Plan and remain on lockdown until a school administrator makes an “All Clear” announcement.

- **Emergency Operations Plan**

Student and employee safety is a primary concern of the Miami-Dade County Public School (M-DCPS) System. The Emergency Operations Plan (EOP) was created to provide school personnel with the necessary leadership skills and knowledge needed to respond to critical incidents or other related emergencies that may occur in our schools/community. All schools have a site-specific plan to address all types of critical incidents. These plans address the individual needs of the school and provide guidelines for devising methods for communicating with the staff, students, parents/guardians, and the media during a critical incident or an emergency. Some of the protective action procedures include the evacuation of students/staff from the building(s), evacuation of the disabled and if necessary the relocation of students/staff from the school campus, lockdown procedures and holding/dismissing students during school and community emergencies. Some important tips for parents/guardians to remember during a Critical Incident are as follows:

- Remain calm;
- Monitor media outlets for updates and official messages from M-DCPS;
- Do not flood the school with telephone calls; and
- If the school is on lockdown, wait until the lockdown is lifted before going to the school.

All school administrators, Region Center Superintendents/Directors and all M-DCPS Police officers have been adequately trained in the school EOP and are prepared to respond immediately during a critical incident or emergency to provide safety for all children.

BeSafe Anonymous Reporting System (Insert Flyer)

http://hoover.dadeschools.net/portable_doc/68128_Be_Safe_Anonymous_Reporting_System_Flyer.pdf

Before school begins, parents/guardians of all students eligible for bus transportation will receive a post card from the school district identifying the student's bus stop and times of pick-up and delivery. Information on student bus assignments will be posted on the Parent Portal at www.dadeschools.net. The information on bus assignments on the [Parent Portal](#) is updated each night. Parents/guardians are encouraged to check the Parent Portal throughout the school year to obtain the most current information on their children's bus assignment.

Parents interested in determining their child's transportation eligibility should contact their child's school for information.

Student Records

Parents, guardians and students are protected by The Family Educational Rights and Privacy Act and the Florida Statutes from individuals' access to information in students' educational records and are provided the right to challenge the accuracy of these records. These laws provide that without the prior consent of the parent, guardian or eligible student, a student's records may not be released, except in accordance with the provisions listed in the above-cited laws. The laws provide certain exceptions to the prior consent requirement to the release of student records, which include, but are not limited to, school officials with a legitimate educational interest and lawfully issued subpoenas and court orders.

Each school must provide to the parents, guardians or eligible students annual notice in writing of their right to inspect and review student records. Once a student reaches 18 years of age or is attending an institution of post-secondary education, the consent is required from the student only, unless the student qualifies as a dependent under the law.

A student enrolled in an Advanced Placement (AP), International Baccalaureate (IB), or Advanced International Certificate of Education (AICE) course who takes the respective AP, IB, or AICE assessment and earns the minimum score necessary to earn college credit, as identified in s. 1007.27(2), meets the requirements of this paragraph and does not have to take the EOC assessment for the corresponding course.
